COVID-19 (Coronavirus) – UPDATE 04/09/2020

Dear Sir or Madam

In accordance with our efforts to communicate with our global partners transparent and promptly during the COVID-19 pandemic, we would like to send you an update as a result of changes in the circumstances of the past week.

Almost all European Automotive OEM customers and Tier1 suppliers have either completely shut down or significantly reduced their business. At DELTEC Automotive GmbH & Co. KG, this development also initiates measures to reduce business activities. Finally, and due to the situation described, your usual contacts will contact you to minimize the impact in accordance with our code of conduct.

Many thanks for your understanding.

Stay healthy!

Yours faithfully
DELTEC Automotive GmbH & Co. KG
